April 16th 2013, Lucia Annibali is coming back home. As soon as she opens the door of her apartment a hooded man hidden behind the doorstep, throws some liquid at her face and runs away. Suddenly Lucia feels her skin burning and deforming, she can't even see anything anymore: Lucia immediately realizes that the liquid on her face is acid. She's also sure about the identity of the attacker: Luca Varani, a young lawyer she had a troubled relationship with. From that night onwards, Lucia faces many operations and all the facets of pain. But the act that should have killed her, becomes for Lucia an extreme chance for personal rebirth thanks to her strength and dignity.
